I want to say thanks to the Kingsfield Personnel Team for hiring me and giving me the chance to be in the Interim Administrator position from September until M'Lynn's return on November 21. I have learned a lot of new skills being in the Office and many good things about our Church family. Thank you for being patient with me during the transition and all of your kind comments and prayers as I was in this position. It was stressful at times learning all that needs to be done on a daily, weekly and monthly basis but each week did get easier. I have learned to really appreciate all of what M'Lynn and Phyllis do in our Church office. I have also learned more to appreciate what Ryan does on a daily, weekly and monthly basis for our Church body and thank him greatly for what he does. Christine Grainger
