Thank You From Paul Steckle

To my Zurich Mennonite Church Family, My recent knee replacement caused me pause from my regular interaction with my church friends, as well as those at other social and public events. It is at times like this that you are made aware of people's kindness shown in so many ways. My sincere thanks for all your visits, for all your gifts of food and the number of meals prepared, and then at our table shared food and fellowship. The many prayers offered on my behalf were certainly a factor in my recovery. A special thanks to the fight club for your many prayers. What a privilege to be part of such a great family. God Bless all of you.
